Questions from the online dashboard will be selected by the facilitator and addressed to the relevant speaker(s) to respond.

# Postcards Shared

earth science  
cafes  
*Connecting Science to Society*

**CTCN**

CLIMATE TECHNOLOGY CENTRE & NETWORK

All speakers share their landscapes and vision 2030 for those communities.

1. What is the future we want for the earth and our landscapes by 2030?
2. How will we get there?
3. What will we contribute to this challenge?

Opportunity to discuss how they could work together in the near future.
