

## **CTCN Regional Forum for National Designated Entities**

**Region: Anglophone Africa**

**Date: 27-29 September 2016**

**Venue: Safari Park Hotel - Nairobi, Kenya**

### **Objectives**

- Develop and strengthen the regional network of National Designated Entities (NDEs), and their relationship with other technology stakeholders;
- Share experiences on:
  - o NDEs set-up and activities at national level
  - o Use of CTCN Technical Assistance, and other CTCN services;
- Discuss the Paris Outcome in relation to Technology Transfer and its implications for the Technology Mechanism
- Present the CTCN and its services; describe and clarify NDE roles and responsibilities, as well the processes to submit requests for technical assistance to the CTCN;
- Present technology-related thematic priorities and best practices on technical assistance from the region;
- Facilitate linkages between CTCN technical assistance and financial mechanisms, financiers and institutions that are relevant to Climate Technologies, with a view to identify matchmaking opportunities to secure funding for follow-up actions to CTCN requests or other climate technology activities.

### **Participants** (*approx. 50*)

- NDEs from Anglophone Africa
- CTCN Staff and Consortium partners
- Representatives from Financial Institutions
- Climate Technology Network members from within the region, and potential members
- Host Government representatives

### **Methodology**

- Presentations, group exercises, and group discussions – possibly supplemented by e-courses, and/or webinars in the following months.
- PLEASE NOTE that all discussions and presentations of the forum will be conducted in English
