**Subject: Submission of proposal**

Dear Madam,

The GNHC is pleased to forward the proposal titled "*Strengthening the Financial and Institutional Sustainability of Technological Solutions for a Circular Economy in Bhutan*" from the National Environment Commission (NEC) for CTCN technical assistance (TA).

Through this TA, Bhutan seeks to embark on an innovative financial mechanism that will cover budgeting, cost accounting, financial monitoring and evaluation to not only meet the recurrent operation and maintenance cost, but also save and collect capital investments that the technological advancements in waste management may entail. The final outcome of the TA is to develop a waste management payment and sustainable operation strategies.

In this regard, the GNHC would like to request CTCN to kindly consider the TA proposal. The copy of the TA request is enclosed herewith for your kind perusal.

Looking forward to your continued support and cooperation.

Yours sincerely,

(Rinchen Wangdi)  
Offtg. Secretary
