United Nations Climate Change
Technology Executive Committee

Biennial UNFCCC Technology Mechanism NDE Survey To National Designated Entity

The following survey collects information on your experiences, awareness and the efficacy of support from the Climate Technology Centre and Network (CTCN) and the Technology Executive Committee (TEC) in accelerating the development and transfer of climate technologies.

As key stakeholders of the CTCN and the TEC, National Designated Entities (NDEs) are invited to contribute to the monitoring & evaluation (M&E) process by completing this survey. Your responses to this survey are crucial for informing and improving our work. They will help identify success stories and best practices, as well as to areas for improvement. Additionally, your input will also be used as a source of information for the Periodic Assessment of the Technology Mechanism (PATM), feeding into Global Stocktake of the Paris Agreement.

Please complete the survey by June 30. The survey should be filled in by the NDE focal point or their representative directly.

Please make sure to submit your response by clicking one of the QR codes for you.

Survey in three languages :

- **English**
- **Spanish**
- **French**

Questions for Annex I and Non-Annex I

Biennial UNFCCC Technology
Mechanism NDE Survey - Annex I
