

21. Resource Mobilization and Partnership

17 September 2025

Strategic Action 1: Sustain, strengthen and diversify engagement with donor Parties

- In 2025 new commitments from Japan, RoK, Spain. New commitment from Sweden is expected to increase
- Outreach at SB 62 with UK, Norway, and France pitching global programmes on CICC and SF6 phase out
- Meeting with Germany to discuss new funding for 2026
- Meeting with Swedish NDE, Sweden's UNFCCC Head of Delegation & Climate Ambassador
- CN sent to Japan and Australia

Strategic Action 2: Enhance and diversify engagement with development financing sources and international financial institutions

- Under CTCN-GCF collaboration: CTCN signed an MoU with KCB and the full project proposal was submitted to GCF for consideration on 1 September
- AF: USD 5 million concept note approved for Burundi (part of AFCIA I) and under consideration for Maldives
- Uganda Min Water and Environment and CTCN: a CN to GCF which will implement some of Uganda's TNA outcomes and TAPs was submitted to GCF on 11 September 2025.
- Conversations ongoing with KDB and ADB. Outreach to IDB in LAC
- EDB conversation discontinued as they deprioritized their sustainability activities
- AIIB conversation part of joint outreach with TEC

Strategic Action 3: Strengthen efforts to mobilize resources from the private sector and philanthropic organizations

- Novo Nordisk Foundation and International Maize and Wheat Improvement Centre (CIMMYT): CN on multi-year programme on agricultural mitigation is under consideration.
- GCCA: The CTCN continues to collaborate with GCCA on cement decarbonization on several TAs.
- Outreach activities on CICC, SF6 phase-out, and YCI programmes continue.
- Pepsi MENA: Conversation ongoing to support incubators and providing mentoring and support from Climate Youth Innovators from the MENA region.
- Outreach event with ICC in March 2025 facilitated by BINGO representative
- Outreach with Business Sweden and private sector companies
- Outreach to the Gates Foundation: initial discussion to understand their scope of work and priorities
- Part of outreach: CTCN engagement in new venues (like Adaptation Futures, International Conference on Financing for Development etc) to attract new partners

Strategic Action 4: Strong Advisory Board engagement in ongoing resource mobilization

- Swedish NDE facilitating RMP engagement as an example of what Annex I NDE can do as per guidance note
- Speaking engagements by AB members: Active speaking engagements by AB Chair and Vice-Chair
- Comms materials remain available to all AB members for RMP purposes and outreach
