

Advisory Board to the Climate Technology Centre and Network (CTCN)
23rd Meeting

19 – 24 April 2024
AB/2024/23/20.2

CTCN SUPPORT

POST-IMPLEMENTATION IMPACT ASSESSMENT FORM

Guidelines:

- This form is to be completed on an annual basis for each technical assistance completed in the last 5 years by the National Designated Entity (NDE) in coordination with the Project Proponent(s) of the country which has/have received the technical assistance.
- The purpose of this form is to track the progress and receive update on the implementation of recommendation after the end of CTCN support. This will help to monitor long-term impact, inform the parties of the long-term impacts CTCN technical assistance delivered, and potentially provide follow-on support.
- This form is a mandatory reporting document as part of the technical assistance process. It needs to be completed by 31 March of each year. Future CTCN support may be subject to an active engagement and reporting on past projects.

PART I: PROGRESS UPDATE

Please provide a detailed update on any progress made and activities conducted after the completion of the CTCN technical assistance:

1. Technology innovation and implementation ¹		
Were any technologies developed, deployed or scaled up as a result of the CTCN technical assistance?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Please provide more details and share links/documents, if available: <ul style="list-style-type: none"> • <i>Development stage / deployment site / scale/ status /partner...</i> 		
Please describe the actions (qualitative and quantitative) that have been taken by the NDE and project proponent(s) to support the development, piloting/demonstration and/or implementation of technologies: <ul style="list-style-type: none"> • <i>design of pilot project / identification of technology providers / collaboration with early-stage technology financiers ...</i> 		

2. Enabling Environment and Technology Pathways ²		
Were any policies, laws, regulations, strategies, roadmaps, or agreements officially adopted or implemented as a result of the CTCN technical assistance?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Please provide more details and share links/documents, if available: <ul style="list-style-type: none"> • <i>Type of document / date of adoption / budget attribution / contribution to development and implementation of NDCs, NAP, TNA/TAP ...</i> 		
Please describe the actions (qualitative and quantitative) that have been taken by the NDE and project proponent(s) to support the abovementioned efforts:		

¹ Reference to Technology Framework theme: Innovation

² Reference to Technology Framework theme: Implementation; and Enabling Environment

- *Number of stakeholder meetings / Purpose and outcome of meetings / draft submissions ...*

3. Capacity Building and Training³

Have capacity building / training activities contributed to further progress?

Yes

No

Please provide more details and share links/documents, if available:

- *Impact of enhanced capacity / follow-on capacity building and training activities ...*

Please describe the actions (qualitative and quantitative) that have been taken by the **NDE and project proponent(s)** to leverage on capacity building and training:

- *Upscaling of capacity building / formalization of training methodology / collaboration with training institutes ...*

4. Stakeholder engagement and collaboration⁴

Were any collaborations and partnerships facilitated as a result of the CTCN technical assistance?

Yes

No

Please provide more details and share links/documents, if available:

- *Type and scope of collaborations and partnerships / agreements signed ...*

Please describe the actions (qualitative and quantitative) that have been taken by the **NDE and project proponent(s)** to establish collaborations and partnerships:

- *Number of collaborations facilitated / working group meetings organized / partner meetings held / engagement of other national climate change focal points ...*

³ Reference to Technology Framework theme: Enabling Environment

⁴ Reference to Technology Framework theme: Collaboration

5. Funding and Investments⁵		
Was any funding leveraged or investment allocated as a result of the CTCN technical assistance?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Source of funding <input type="checkbox"/> Private Sector <input type="checkbox"/> National <input type="checkbox"/> Public Sector <input type="checkbox"/> International	Amount of funding (USD) <div style="border: 1px solid black; height: 20px; width: 100%;"></div>	
Please provide more details and share links/documents, if available: <ul style="list-style-type: none"> • <i>Information on amount of funding/investment leveraged (USD) / type of funding source such as public, private, national and international / purpose of funding/investment ...</i> 		
Please describe the actions (qualitative and quantitative) that have been taken by the NDE and project proponent(s) to leverage funding and allocate financing: <ul style="list-style-type: none"> • <i>Number of financial institutions contacted / financial proposals developed / concept notes submitted ...</i> 		

6. Co-benefits for Gender, Youth, Indigenous Peoples, and other Vulnerable Communities		
Were any activities delivered in particular to support women, youth, indigenous peoples, and other vulnerable communities, as a result of the CTCN technical assistance?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Please provide more details and share links/documents, if available: <ul style="list-style-type: none"> • <i>Type of activities / type of target audience / number of beneficiaries ...</i> 		
Please describe the actions (qualitative and quantitative) that have been taken by the NDE and project proponent(s) to support the abovementioned efforts: <ul style="list-style-type: none"> • <i>Stakeholders engaged / activities supported / monitoring conducted ...</i> 		

⁵ Reference to Technology Framework theme: Support

PART II: SUCCESSES AND CHALLENGES

To support the design and implementation of future assistance activities, and inform continued CTCN support towards the country, please complete this section on any successes and challenges in terms of continued implementation of activities after the end of CTCN support.

1. What aspects of the CTCN support contributed to the success of activities after completion of the technical assistance?

2. What difficulties/challenges were encountered after the end of the CTCN support? How could these challenges been avoided and how could this be improved in the future?

PART III: NEXT STEPS

Please complete this section by briefly describing the next steps that will be undertaken building on the technical assistance results and the progress to date.

The following are some examples of next steps:

- Submission of a draft law/policy developed by the CTCN to cabinet/parliament.
- Follow-up and formal submission of funding proposal drafted with support from the CTCN.
- Implementation of activities designed by the CTCN.
- Approval of business plan developed by the CTCN.
- Dissemination of report drafted by the CTCN.
- Use of new expertise acquired during training led by CTCN.

1. Describe next steps (including timeline):

ANNEX 1: ADDITIONAL INFORMATION

If needed, please include any additional information here.
