

# CTCN CONTRIBUTIONS TO THE DR

Ing. Pedro García Brito

Climate Change Director

Ministry of Environment and Natural Resources

# DR ACTIONS TOWARDS CTCN VISIBILITY

**CTCN**  
CLIMATE TECHNOLOGY  
CENTRE & NETWORK

The Ministry of Environment and Natural Resources has worked on the creation of proposals from the country to the CTCN through:

- Sensibilization of key NGOs, public and private institutions about CTCN proposals and opportunities through workshops
- News releases
- Climate Change Directorate Bulletins

# DOMINICAN REQUESTS TO CTCN

**CTCN**  
CLIMATE TECHNOLOGY  
CENTRE & NETWORK

**Proposal:** Community based Early Warning System in every pocket from Santo Domingo.

- **Accepted as eligible since:** January 21th, 2015
- **Signed Response Plan:** September 2015
- **Implementors:** GIZ
- At this moment the project is in implementation. Several meetings with the stakeholders (communities organizations, public national and local institutions, private sector) have been developed.

**Proposal:** Developing a NAMA to leapfrog to advanced energy-efficient lightning technologies.

- Was develop a diagnosis on public lighting in DR
- At this moment with the assistance of UNEP we are hiring the specialist to formulate the NAMA and project proposal to the GCF.

**Note:** There were some delays due to national elections and appointments of new officials in the direction of the CNE.

# DOMINICAN REQUESTS TO CTCN

**CTCN**  
CLIMATE TECHNOLOGY  
CENTRE & NETWORK

Proposal: Technical Assistance for project formulation of “Biological Corridor of Cordillera Central-Los Haitises”

- Date of submission: August 5th, 2016
- UNEP is currently hiring a specialist to assist in the preparation of the project proposal that we will submit to the GCF.

# TECHNICAL ASSISTANCE IN PROJECT PROPOSAL PREPARATION OF CENTRAL AMERICAN COUNTRIES TO THE GCF

**Proposal: Adaptation and mitigation to Climate Change Project in Arid Lands Corridor of Central America and Arid Zones of The Dominican Republic.**

- The technical assistance has triggered the participation of national and international stakeholders (Ministries of agriculture and environment. Regional and international organizations).
- It is a good example of how to fulfill the role of CTCN.
