Prior to the detailed evaluation, UNIDO will determine the substantial responsiveness of each proposal to the qualification requirements and mandatory technical and commercial evaluation criteria specified for this RFP. For the purpose of this clause, a substantially responsive proposal is one which conforms to all the terms and conditions of the RFP without material deviations. UNIDO 's determination of a proposal's responsiveness is based on the contents of the proposal itself without recourse to extrinsic evidence.

A proposal determined as not substantially responsive will be rejected by UNIDO and may not subsequently be made responsive by correction of the non-conformity.

9.4 Evaluation and Comparison of Proposals

A two-stage procedure is utilised in evaluating the proposals, with evaluation of the technical parts of the proposals being completed prior to the price-related parts of the proposals being reviewed.

In the first stage, UNIDO will evaluate the technical parts of the proposals on the basis of their responsiveness to the Terms of Reference in particular and the RFP in general, applying the following evaluation criteria:

Technical Evaluation Criteria [should be read and completed in conjunction with the requirements specified in the Terms of Reference and on the "Questions" tab in the system].	
LANGUAGE REQUIREMENTS	Please confirm that your proposed members of Key Personnel possess the required language qualifications specified in the ToR.
TIMELINE	Please confirm your ability to provide the good/services/works in accordance with the timeline indicated in the bidding documents.

Commercial Evaluation Criteria [should be read and completed in conjunction with the requirements specified in the Terms of Reference and on the "Questions" tab in the system].	
CTCN MEMBERSHIP	Please confirm if you are not a member of the CTC Network that you have submitted your completed application for the CTC Network by submission date.
MODEL CONTRACT & GCC	Please confirm that you have read and agree to the UNIDO Model Contract including its General Conditions of Contract.

As part of the evaluation process, UNIDO reserves the right to waive minor deviations from the requirements and criteria, if they do not materially affect the capability and/or capacity of a bidder to perform the contract under consideration.

Each responsive proposal will at the first stage be technically evaluated. A proposal shall be rejected at this stage if it fails to meet the technical requirements.

In the second stage, the price-related parts of all proposals, which were found to be substantially responsive and technically acceptable, will be compared.

10. SELECTION CRITERIA

In due consideration of UNIDO's procurement principles namely, best interest of the organization and best value for money, the contract shall be awarded to the qualified bidder whose proposal has been found substantially responsive, technically acceptable and offering the lowest cost to UNIDO.

11. CONTRACT AWARD

The contract will be awarded subject to (i) where relevant, successful negotiations of the contract, and (ii) approval of contract award by the relevant authorized official of UNIDO.

UNIDO will notify the successful bidder in writing that his proposal has been accepted. Following the signature of the contract with the successful bidder, UNIDO will notify unsuccessful bidders.

12. RETENTION OF PROPOSALS

Following submission of the proposals and final evaluation, UNIDO will retain the proposals of both the successful and unsuccessful bidders.

13. TYPE OF CONTRACT

A firm, fixed price is contemplated for the contract under consideration, covering all inputs required by the contractor as stated in the Terms of Reference (Section II) and the model contract (Section IV) of the RFP.

14. NO COMMITMENT

This RFP does not commit UNIDO to award a contract. UNIDO reserves the right to accept or reject any proposal(s), or to annul this RFP and reject all proposals, at any time prior to award of contract, without thereby incurring any liability to the affected bidder(s) or any obligation to inform the affected bidder(s) of the reasons for UNIDO action.

UNIDO also reserves the right to negotiate and award only a portion of the requirement; to negotiate and award separate or multiple contracts for the elements covered by this RFP in any combination it may deem appropriate, in its sole discretion; to add new considerations, information or requirements at any stage of the procurement process, including during negotiation with bidders; and reject the proposal submitted by any bidder that has previously failed to perform properly or on time contracts of a similar nature, or of a vendor that, in the opinion of UNIDO, is not in a position or is not sufficiently qualified to perform the contract.

This RFP contains no contractual proposal of any kind; any proposal submitted will be regarded as a proposal by the bidder and not as an acceptance by the bidder of any proposal by UNIDO. No contractual relationship will exist except pursuant to a written contract document signed by the authorized official of UNIDO and by the successful bidder(s) chosen by UNIDO.

15. SIGNING OF CONTRACT

After the successful bidder's acceptance of the UNIDO contract award, UNIDO will send the bidder the contract documents incorporating all agreements between the parties. The successful bidder shall sign and date the contract and return one original set of the contract documents to UNIDO no later than two (2) weeks of the receipt of the contract documents.

16. CONTRACT BASIC TERMS AND CONDITIONS

Except as otherwise required by the circumstances of the case, the contract for the proposed services will be based upon the terms and conditions of the attached Model Contract, Section IV, of the RFP.

17. PAYMENT

Payment will normally be made in accordance with the terms specified in the Model Contract. The Financial Regulations and Rules of UNIDO preclude payment by letters of credit. Such provision in a proposal will be prejudicial to its evaluation by UNIDO. The normal terms of payment by UNIDO are 30 days upon satisfactory delivery of goods or performance of services and the acceptance thereof by UNIDO, whichever is later. Progress payments may be allowed upon agreement between the parties. Bidders must therefore clearly specify in their proposals if they offer payment terms different from those specified by UNIDO.

18. CONFIDENTIALITY

It is understood that this RFP is confidential and proprietary to UNIDO, contains privileged information, part of which may be copyrighted, and is received by bidders on the condition that no part thereof or any information concerning it may be copied, exhibited, or furnished to others without the prior written consent of UNIDO. This condition may be exempted to the extent that the bidder may exhibit part or parts of the RFP to prospective sub-contractors for the sole purpose of obtaining proposals from them. Notwithstanding any other provisions in this RFP, bidders will be bound by the contents of this Article whether or not their company submits a proposal or responds in any other way to this RFP.

Information relating to the examination, evaluation, and comparison of proposals, and the recommendation of contract award shall not be disclosed to bidders or any other persons not officially concerned with such process.

Any effort by a bidder to influence UNIDO in the examination, evaluation and comparison of the proposals or contract award decisions may result in the rejection of his proposal.

From the time the proposals are opened to the time the contract is awarded, if any bidder wishes to contact UNIDO on any matter related to his proposal, he should do so in writing to the address indicated in the cover note of this RFP.
