

### 3. Report from the CTCN Director

Jukka Uosukainen

10<sup>th</sup> meeting of the CTCN Advisory Board

Copenhagen, Denmark 29-31 August 2017

# CTCN Path Forward

1. Secure our role in the Paris Agreement + raise profile outside the Convention
2. Empower National Designated Entities among key climate focal points
3. Optimize Consortium Partner services, build Network, leverage pro-bono
4. Deepen engagement with existing and potential bilateral donors
5. Formalize linkages with GCF and build on GEF
6. Engage Regional Development Bank technology centres
7. Reinvigorate Private Sector Engagement Strategy
8. Focus on key sectors + deploy best available technologies

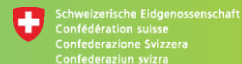

# Promising technology tools from CTCN work

1. Sector/equipment specific technology roadmaps for NDC implementation
2. Vulnerability mapping for cities and critical services
3. Flood control systems for coastal zones
4. Energy audits for industry
5. Climate Smart building codes
6. Energy Efficiency in electric appliances
7. Ecosystem based adaptation tools
8. Energy utilization of bio/agricultural wastes
