

5.a) Update on a pilot collaboration between the GCF and CTCN

8th meeting of the
CTCN Advisory Board
Copenhagen, Denmark
23-25 August 2016
www.ctc-n.org

Update on bilateral discussions

- CTCN and GCF officials met on the margins of SB44 and 13th GCF Board meeting (B.13)
- Discussion of cooperative modalities focused on matching existing fund structure of GCF with technical strengths of CTC + Network, guided by the engagement principles articulated in decision 13/CP.21
- In addition to opportunities under GCF Readiness Programme and Project Preparation Facility, CTCN to explore support for GCF Direct Access entities
- Discussions will be further informed by GCF working paper at B.14; CTCN AB Chair to participate, officials to attend
- Phased approach based on stage of TA development + GCF needs

GCF Readiness support

- Readiness Funding: Dedicated towards building capacity in support of country engagement with GCF. Max \$1M/country/year.

GCF/CTCN Collaboration

- Vision to Concept
 - Based on new, high-potential CTCN TA requests
 - Joint NDA/NDE approval, target GCF Concept Note development
- Existing early-stage CTCN Technical Assistance
 - Based on existing CTCN TA requests
 - Collaboration initiated; complex administrative process
- Capacity Building of GCF Direct Access Entities
 - Engagement directly with GCF Secretariat to share Network and Consortium Partner expertise

Project Preparation Facility

- Established in November 2015 to support GCF Direct Access entities
- Targets small-scale activities, provides up to 10% of requested GCF project funding to a maximum of \$1.5M

GCF/CTCN Collaboration

- Existing late-stage/completed CTCN TA
 - GCF support to build on the outcomes of TA
 - Target is development of full-scale GCF proposals
- CTCN support to GCF Direct Access entities
 - Network expertise offered to GCF project proponents to strengthen proposal development, *inter alia*:
 - Technology risk analysis
 - Environmental impact assessment
 - BAT assessment

Additional collaboration

- Coordination of regional NDE/NDA meetings
- Ongoing dialogue to explore additional collaborative modalities
 - At Board, Secretariat, and Country level
 - Goal of strengthened mutual capacity to deploy climate technologies at scale
